

ITEM **Wireless Payphone Service**
110.26**1. Service Description**

Wireless Payphone Service (“WPS”) primarily involves the provision of outgoing message service from a wireless network and telephone equipment supplied by SaskTel, and at SaskTel’s option, for use by the general public. The Customer pays for the message at the time the message is sent, using an authorized prepaid cash card in an appropriately equipped public telephone.

2. Conditions of Service

1. WPS shall be provided on the Cellular Network.
2. WPS equipment will be provided by SaskTel. Inside wiring may be provided by SaskTel at SaskTel’s expense on public or private property in locations approved by SaskTel .
3. To avoid any interruption of WPS to the general public, regardless of whether SaskTel or the owner of private property owns the inside wiring, the owner of private property shall permit SaskTel to perform all maintenance of the inside wiring at SaskTel’s expense.
4. Extension Service will not be provided with WPS.

2. Conditions of Service – Continued

5. SaskTel shall deny the termination or completion of all incoming telephone calls placed to WPS equipment, except in those circumstances where SaskTel decides or mutually agrees with the owner of the private property on which the WPS is located that incoming telephone calls are of benefit to the user of the WPS.
6. Messages, whether terminating within or outside the local calling area, may be paid for at the time they are to be sent by using an authorized prepaid cash card in an appropriately equipped public telephone. SaskTel shall determine those public telephones which accept prepaid cash card transactions.
7. WPS will be offered at exchanges where the necessary cellular switching equipment and facilities are available.
8. WPS will be offered at locations where adequate cellular signal and voice channel capacity is available.
9. WPS will be limited to the capabilities of SaskTel's cellular switch and switching translations.
10. Calls terminating outside Canada and continental USA (including Hawaii) will be denied.

ITEM 110.26 Wireless Payphone Service - Continued**3. Rates**

The Customer shall pay to SaskTel the following rates and charges for Wireless Payphone Service. Such rates and charges are in addition to any other rates and charges that may be applicable.

Destination Call	Usage Rate (Note 1,2)
Saskatchewan (includes Local, Long Distance & Toll-Free)	\$1.00 per minute
Rest of Canada	\$1.50 per minute
USA	\$1.50 per minute
Directory Assistance	\$0.75 per call

Note 1: The call duration and rate for WPS will be rounded-up to the next full minute.

Note 2: Rate includes airtime and long distance.
