650.10**Answer Supervision****1. Service Description**

Answer Supervision (AS) provides a signal from the central office to the customer's premises, on both local and long distance direct dialed (1+) calls, which indicates that the party has answered and the timing on the call has started. This service is available to multi-line customers (with appropriate terminal equipment), digital access lines, Megalink channel and reseller switching equipment, on a per line, trunk, or channel basis.

2. Conditions of Service

1. Answer supervision is available from any digitally equipped central office.

3. Rates

The Customer shall pay to SaskTel the following rates and charges for Answer Supervision. Such rates and charges are in addition to any other rates and charges that may be applicable.

For...	Monthly Rental	Service Charges
Answer Supervision per trunk, channel, or line.	\$5.00	\$13.00

Note 1: The monthly rate for Answer Supervision applies in addition to all other rates and charges that may apply to the customer's trunk.

Note 2: A service charge applies to add Answer Supervision to an existing line trunk, or channel.
