100.10**Rate Group Classification** – *Continued***1. Service Description** – *Continued***Exchange, Rate Group, and District**

The following table lists the exchanges within Saskatchewan and the areas served from these exchanges. Each exchange has a base rate area, and may or may not have

- an island base rate area, and
- areas outside the base rate or island base rate area.

Form 1172 is to be used for all construction requests for rural areas, and urban service requests for dedicated pairs, and cable on the same continuous property.

Abbreviations: The following abbreviations are used in the table:

- FNC – First Nation Community
